Dear Club,

Scotland U19 Selection

We are delighted to notify you that the players listed below have been selected for the Scotland U19 Training Squad to train at Oriam on Sunday 3rd December 2017

This is a great honor and indicates the enormous amount of work and dedication that they have already contributed in their efforts to represent Scotland on the International Rugby stage.

Scottish Rugby and our National Age Grade Coaches understand that this achievement would not be possible without the support of our players' families, schools, teachers, rugby clubs and coaches. We would like to thank you for the assistance that you have contributed to date.

If you have any questions regarding the Scotland U19s representative programme, a copy of which is attached for your information, please feel free to contact me.

Yours faithfully

Sean Lineen
