

Child Protection Training Information 2021/22

Child Wellbeing and Protection in Sport: Officer Training

This new workshop is aimed at those taking a lead on child wellbeing and protection in sport (e.g. child wellbeing and protection officers, team managers etc.) and as such pre-requisites for attendance are:

- **completion of Child Wellbeing and Protection in Sport training (online module and face to face session)**
- **a minimum attendance age of 18 years old.**

Content for the new workshop has been developed in response to feedback from across the sports sector and consists of a single 3-hour face-to-face workshop.

Using layered case studies, interactive group work and personal reflection tasks, delegates will be supported to develop key skills and knowledge required to promote the wellbeing of children and young people in sport and respond effectively to concerns of harm or abuse. As this workshop is aimed at those leading their organisation in this topic area, case management skills form a significant element of the training.
